

Whole School Autumn Term 2021 COVID-19 Risk Assessment Form

This is a live and active document which must be shared with all staff and reviewed on a regular basis to ensure it meets the changing environment to control the spread of the COVID-19 virus.

Name and Address of the School: St Patrick's RC Primary School, Stanley Street, Consett, Co. Durham, DH8 6LN.	
Head teacher: Mrs Jennifer M Gill	Name of Person Completing the Risk Assessment: Mrs Jennifer M Gill
Current Number of Staff Employed: Teaching: 19 Support Staff: 29	Date of assessment: August 2021
Current Number of Pupils on Roll: 414 Current number of pupils accessing alternative provision: 0	Date risk assessment reviewed: 20 September 2021
Contractors currently working on the school site: N/A	
Consultation -The Covid-19 Risk Assessment and associated COVID Policy have been shared with the Governing Body and Staff members. The Governing body of the school are to be informed of any staff members or Parent/Carers concerns.	
Communication -The Covid-19 Risk Assessment and associated COVID Policy has been shared with the whole staff team. The school have more than 50+ members and staff and to comply with the current Schools Coronavirus (COVID-19) Operational Guidance in the Summer Term 2021 and to ensure compliance with the <u>Health and Safety Executive (HSE)</u> a copy of this risk assessment has been placed on the school website.	

Persons covered by this assessment – The School Community, visitors, professionals, and contractors working in/attending the school site to provide support etc.
COVID-19 is a virus which has serious effects which debilitates those who have caught it and causes immense distress both physically and mentally. The UK has suffered high fatality rates. The virus is thought to spread mainly from person-to-person. <ul style="list-style-type: none"> Between people who are in close contact with one another (within about 6 feet). Through respiratory droplets produced when an infected person coughs, sneezes, or talks. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. COVID-19 may be spread by people who are not showing symptoms.
The school is following Schools coronavirus (COVID-19) operational guidance and where applicable guidance for Early Years , Further Education Colleges and Special Schools . Public Health England advise systems of controls to minimize coronavirus (COVID-19) risks in school environments. The school is adhering to four key current systems of control; <ol style="list-style-type: none"> 1. Ensure good hygiene for everyone. 2. Maintain appropriate cleaning regimes. 3. Keep occupied spaces well ventilated. 4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19.
